Body energy work

Take your holidays in order to reconnect with their origins and your power. There are days for life!

With an individual, program personalized, integrated, especially with a lot of pleasure in life and in love for yourself, find and solve blockages.

It is not always easy to find the right path alone.

Our therapists draw from ancient, traditional teachings such as reiki, meditation, coaching, and the EMF balancing Technique® - the light to shine again in your heart and strength for the challenges of bringing everyday life. The whole is supported by respect and devotion, and your personal need

60 Min 70 Euro

Body Mind Spa

In far east is the culture well-being for thousands of years part of everyday life.

We have connected traditional Asian massages and treatments with our western lifestyle to a holistic approach. Discover your positive attitude to life again; you gain physical vitality and emotional balance back.

Our SPA-Lounge gives you space for peace, to fill up vitality, beauty and strength.

We are looking forward to you!
